

Artist Application

The Provident Bank is committed to supporting local artists in the communities that we serve. We accomplish this through our Lobby of the Arts program. As part of this program, we select local artists through a review process and offer them space to hang their artwork at one of our branches for six months. This is a great opportunity to provide exposure to local artists.

If you would like to apply to be one of our featured artists, please review this application and follow the steps outlined below.

Step One:

Complete the application form and submit it to the Relationship Manager of your local branch where you would like to be featured. We will review your application and artwork to determine if you would be a good fit for our Lobby for the Arts program.

Step Two:

In the event that you are selected to be one of our featured artists, you will be contacted by the Relationship Manager of the branch to coordinate the date your artwork should be hung. You will be responsible for hanging and removing your artwork from the branch on the agreed upon date.
